Construction

Asiapro Multi-Purpose Cooperative is the first cooperative in the Philippines to have acquired the Philippines Contractors Accreditation Board (PCAB) license. This PCAB license aims to ensure safety of the public and that only qualified and reliable contractors are allowed to undertake construction in the country. To fulfill our mission in this industry, Asiapro's Construction Group has been involved in civil works and fit-outs which strengthened our project management and execution. This includes tile setting, painting, carpentry, masonry, rebar, etc.

Services Provided:

- Full sub-contracting work in structural works, architectural fit-outs, and precast concrete installation.
- Currently operating for commercial and residential buildings (Hotel, BPO, Condominium). This involves project planning & implementation which is why we have a team of experts and engineers that handles our projects especially under sub-contracting.

COMPETITIVE ADVANTAGE

VALUE FOR MONEY

- Fixed Rate for volume-based because billed on output basis as opposed to Variable Cost which provides for overtime

FULLY EQUIPPED TEAM THAT RESULTS TO INCREASE IN PRODUCTIVITY

- Dedicated team who are technical experts in Construction Industry
- Provision of tools and equipment to increase member productivity

WORRY-FREE, SELF-MANAGED OPERATIONS

- End to End HR Services
 - Dedicated back office support to handle sourcing, applicant screening, member concerns and payout.
 - Self-Managed Recruitment and Records and Payroll Operations
- Employee Engagement to Increase Productivity
 - Trainings for members
 - On-site Member Engagement
