Independent Sales Service Provider (ISSP)

ISSP is Asiapro's first business platform which provides sales and marketing services currently, but not limited to, Agri-based Multi-national companies. ISSP operates around a variable, sales output-based monthly commission rate. As we manage the day to day complexity of field sales operations, clients are able to focus on their core business priorities. ISSP's unprecedented growth marked to be a highlight for the platform, and has continued to expand since then.

Services Provided:

Implementation of Demand Generating Go-To-Market Activities

- Face to face meetings with customers
- Farmers' meetings
- Product training/demos/field tours

- Store merchandising & inventory monitoring
- Harvest festival
- Market day showcase
- Telesales and marketing

COMPETITIVE ADVANTAGE

PROVEN TRACK RECORD IN HITTING TARGETS

- Growth through the years – exponential sales build-up since 2015

FULLY EQUIPPED TEAM THAT RESULTS TO INCREASE IN PRODUCTIVITY

- Dedicated field sales and marketing support team encompassing frontline to managerial functions.
- Provision of tools to our Sales Teams such as four-wheeled vehicles (pick-up or car) motorcycles, tablets, cellphones, laptops, etc.

WORRY-FREE, SELF-MANAGED OPERATIONS

- End to end HR Services from Recruitment to Payroll as well as administrative control
- Employee Engagement
 - Performance incentive scheme
 - Continuous training and development
